## THE GAZETTE.

MONDAY EVENING, SEPTEMBER 7.

In an address which he delivered some time back at Liverpool College, Lord Derby told the students that there were three great maxims of study-first, that mental labor never hurts anybody unless taken in great excess; second, that those who cannot spare time for physical exercise will soon have to spare it for illness; third, that morning work is generally better than night work. There has never been a time in the history of the world when an appreciation of these truths was more important than it is now.

A writer in the St. Paul's Magazine of London offers the following bold challenge to the woman movement in an article on "Milton and "If a man really manages to get out of the Bible any doctrine about women, except that she is man's inferior, man's tempter, man's subordinated helper, under a special curse for the fault of Eve, and under a special tan-ceremonial ban, too-then I say he is either dishonest or wanting in mental fibre.'

The newspapers report that a prominent lady guest at the Montgomery white Sulphur Springs was robbed last week by another guest and lady from New Orleans of a large number of diamonds and other jewelry. All of the parties were from the South and highly respectable. All of the property was recovered, and efforts are being made to quiet the matter.

"Mrs. Austin, of Alexandria, has lived in one neighborhood thirty eight years, and never borrowed her neighbor's flat-irons or a cup of sugar," is a Virginia slander in the Cincinnati Enquirer.

## Political Discussion.

We are authorized to announce that General Eppa Hunton and Mr. James Barbour will address the people of the counties named on the court days of the respective counties as follows: Rappahannock, 2d Monday in September. Fairfax, 3d Monday in September. Orange, 4th Monday in September. Madison, 4th Thursday in September.

## A Card.

The determination of my friends yesterday evening that my name ought not to be presentcd to the convention then in session, after the extraordinary action of that body in excluding the five regularly elected delegates from the Scott townshap, in Fauquier county, imposes upon me a duty which I must perform. I and the convergent this Discounty is a support to the contract of the contract nounce myself a candidate to represent this Dis-trict in the next Congress of the United States. If the Republican party presents a candidate, I will submit to the arbitrament of any Conserva-tive convention that may be elected in accord-ance with the established plan of organization. JAS.
